GUIDING PEOPLE FROM BURNOUT TO BALANCE

Wellavi is a comprehensive coaching platform focused on mental well-being and personal development. We take a whole- person approach to supporting users' mental health, both inside and outside the workplace.

Designed to help users achieve balance and harmony in all areas of life, our Six Dimensions of Wellness form the framework of everything we need coaches like you to help us do!

Our goal is to provide a single platform that connects users with coaches who can help guide them into living their best life.

We invite you to join our exciting new coaching community!

Built with TrueSelf™ intelligence, Wellavi will match users to their best-fit coaches, making it a win-win for everyone.

The Six Dimensions of Wellness, *Simplified!*

Why Coach With Us?

Attract more clients and do less paperwork so you can focus on coaching while building a following of additional clients!

Wellavi uses a proprietary TrueCoach™ self-guided assessment that delivers peak relevant insights, which we use to pair you with the perfect clients who need your expertise.

Created by psychologist and sociologist Dr. J. Mensing and developed across 20+ years of clinical practice, the TrueCoach and TrueSelf programs are designed to best fit clients to wellness coaches and programs based on their cognitive and emotional response results.

Our goal is to provide a single platform that connects users with coaches who can help guide them to live their best life.
